the Calabrian bistro

A taste of Calabria in each bite

Our name takes inspiration from Nduja, a symbol of our region, a product that embodies the passion and strength of Calabrian traditions.

Located in the south of splendid Italy, Calabria is a land full of contrasts, where the crystalline sea laps the golden beaches and the majestic mountains rise towards the sky. With more than 300 days of sunshine a year, Calabria is a riot of colors and scents, and thanks to the variety of the territory it offers varied and tasty culinary products.

From the intense aroma of local chili peppers to the rich flavor of artisanal cheeses, every bite is a tribute to the passion that characterizes our land and that we want you to get to know a little about.
